

BUILD YOUR OWN CAREER

Registered Roof Observer (RRO)[®]

If you're an experienced roofing professional with an eye for detail, you can transition to a career as a Registered Roof Observer (RRO).

RROs are quality assurance professionals who monitor the construction process to assure roofing is built to specification and that proper application procedures are followed. Growing interest in sustainability and value have the demand for RROs on the rise.

Two-thirds of consulting firm principals interviewed indicated they have plans to hire additional quality assurance professionals within the next 12 months.*

- The average annual salary of an RRO is \$60,000.*

- Many corporations and government agencies prefer an RRO monitor their roofing installations.

- RCI educational programs can be helpful for those seeking the RRO designation.

RCI is an international association of building envelope consultants. Members specialize in design, investigation, repair, and management of roofing, exterior wall, and waterproofing systems.

*Based on a 2012 survey of RCI members.

RCI, Inc.

800-828-1902
