32nd RCI International Convention and Trade Show to Be Held March 2017 in Anaheim, CA

Raleigh, NC – The 32nd RCI International Convention & Trade Show will be held March 16-21, 2017, at the Hilton Anaheim and the Anaheim Convention Center in Anaheim, CA.

The annual event will feature over 25 hours of educational seminars, live product demonstrations, and a **two** day trade show with over 130 exhibitors. Educational programs are approved to yield continuing education credits for members of RCI and the American Institute of Architects. “It’s a great opportunity to earn a full year’s worth of continuing education credit at one event,” said William Myers, RCI’s marketing director. “RCI’s consultant members visit the trade show to discover the latest products for designing and repairing today’s building envelopes.”

RCI is an international association of building envelope consultants whose members specialize in design, investigation, repair, and management of roofing, exterior wall, and waterproofing systems. Over 1,300 attendees are expected at the event.
