FOR IMMEDIATE RELEASE

William Myers – Director of Marketing Communications

April 20, 2017

33rd RCI International Convention and Trade Show to Be Held March 2018 in Anaheim, CA

Raleigh, NC – The 33rd RCI International Convention & Trade Show will be held March 22-27, 2018 at the Texas Marriott Marquis Houston and the George R. Brown Convention Center, Houston, Texas.

The annual event will feature over 25 hours of educational seminars, live product demonstrations, and a **two** day trade show with over 130 exhibitors.

Educational programs are approved to yield continuing education credits for members of RCI and the American Institute of Architects. “It’s a great opportunity to earn a full year’s worth of continuing education credit at one event,” said William Myers, RCI’s marketing director. “RCI’s consultant members visit the trade show to discover the latest products for designing and repairing today’s building envelopes.”

RCI is an international association of building envelope consultants whose members specialize in design, investigation, repair, and management of building envelope systems. Over 1,400 attendees are expected at the event. RCI regularly hosts education programs designed to demystify and explain the application of roofing, waterproofing, and exterior wall technologies.

For more information, visit www.rci-online.org or call 800-828-1902.
