

EMPOWERING THE FUTURE OF BUILDING ENCLOSURE CONSULTANTS

Looking to improve the skills of your organization?

Partner with RCI to host a course at your facility and on your schedule. As the authoritative voice and resource for roofing, waterproofing, and exterior wall specification and design, our courses provide individuals of differing backgrounds with relevant and cutting edge information. Continuing your education is a big step in your career and we're here to guide you.

Contract courses are offered to a minimum of 15 people at your facility

Our knowledgeable instructors offer relevant solutions referencing examples from applications in the field

98% of attendees described courses as worthwhile and said they would attend future programs
