Emerging Professional Award of Excellence
Candidate Recommendation Form

The Emerging Professional Award is given to a young professional who has shown exceptional leadership, professionalism and/or industry contribution at an early stage in his/her career in the field of roofing, waterproofing, and exterior wall systems.

Eligibility: Candidates must be nominated by a Consultant or Consultant Affiliate member in good standing. Candidates must be a Consultant or Consultant Affiliate member in good standing, have at least one professional designation from RCI, obtained since March 2007, and have ten or less years of experience in the construction/consulting industry.

This recommendation must be e-mailed to RCI Director of Membership Programs Alec Jeffries at ajeffries@rci-online.org by December 15, 2017.

Award recipient will be presented the award at the 33rd RCI International Convention & Trade Show in Houston, TX, March 22-27, 2018.
